

## How does it compare?

- 1** Fill out this worksheet with your current information.
- 2** Call **Toll Free** for free, no-obligation quotes.
- 3** Find out just how much you could save!

### What to have with you when you call.

Remember, since the insurance consultants cannot transfer your call, you will need to make separate calls to obtain premium quotes from all three companies. Here's some helpful information to have on hand when you call:

- Your employee ID number (found on your paystub).
- Copies of your current policy(ies).
- The vehicle identification number (VIN) for vehicles to be insured.
- Drivers' names, license numbers, birth dates, and Social Security numbers.
- The grade point averages of drivers who are high school or college students.
- Garage locations of all vehicles to be insured.
- The expiration dates of your current policy(ies).
- The proximity of your local fire department to your home.
- Are your smoke and burglar alarms in working order?
- When should your new coverage take effect?
