Legal assistance for buying a home

Buying a home is the American dream. But sometimes, it can be hard to turn a dream into a reality. Purchase agreements get revised. Unexpected challenges arise. Zoning laws change.

That's why it's a good idea to be prepared with one of our 17,500 attorneys. With a group legal plan, you have access to attorneys for guidance as you buy or sell a home, including getting help with reviewing deeds and purchase agreements, researching zoning laws and having an attorney attend a closing to review documents and represent your interests in the sale.

Consider this real member story:³

“We utilized MetLife Legal Plans to help support our real estate transactions as we were moving to the Fort Lauderdale area. We had challenges with the buyers of our home as well as the builder of our new home. Our attorney stayed with us every step of the way and provided excellent guidance on how to handle the contracts. He went above and beyond to help me and my wife through a challenging move.”
