Redwood Trailer Village

Site improvement and unit replacement done in three phases

A row of modern, colorful modular housing units in a parking lot. The units are arranged in a line, with the closest one being dark grey and the others in shades of green and brown. Each unit has white trim around the windows and a white baseboard. The parking lot is paved with black asphalt and has white and red lines. An orange traffic cone is visible in the foreground. The sky is blue with some clouds.
